

REVIEW & FAST TRACK PUBLICATION IN THE CANADIAN JOURNAL OF SURGERY FOR CANADIAN SURGERY FORUM MANUSCRIPTS

The Canadian Journal of Surgery (CJS) continues to promote and foster the relationship with the Canadian Surgery Forum (CSF), and its society partners. The CJS is not only a voice for national surgical issues, but also for high quality scientific publications. The impact factor of CJS has increased dramatically over the past few years, and is now the highest national surgical journal of any country in the world.

To facilitate this relationship, and to continue the process implemented in 2019, the CJS is committed to rapid review and fast-tracked publication of accepted manuscripts presented during scientific sessions at the CSF. As discussed, and promoted by many of the CSF participating societies, early submission of your manuscript to the CJS (deadline: August 5, 2022) will secure your entry into this fast track program.

Please submit it on the [CJS website](#) under your academic institution to save the submission fee, and please note on the title page that it has been presented at the CSF conference.

Thank you in advance,
